

Red Apple School

Tuition & Fees

Registration 2023/2024

## REGISTRATION FEES

An annual \$150.00 non-refundable registration fee applies for each student enrolled in the program. The registration fee is required at the time of enrollment. The registration fee reserves your child's place in the program for the following school year. If you are enrolling a second or third child within the same family, the registration fee will drop down to \$75.00 for each child after the first child.

## TUITION

You may pay your tuition online on the Brightwheel App, or you may bring cash or check into the office.

If you choose to pay by credit card on Brightwheel, there will be a credit card percentage fee charged to the total amount due. To avoid this charge, you may put your ACH information into Brightwheel instead of your debit card information and no fee will be charged.

All tuition payments are due on the 1st of the month, and late after the 10<sup>th</sup> of the month.

There is a 5% discount for annual tuition that is paid in full by September 1, 2023.

There is a 10% discount for second and third children within the same family.

The first month's tuition must be paid on 6/1/2023 through the Brightwheel App, or with a postdated check.

The Supply & Activity Fee is an annual fee that is due in September. If your child is enrolled in Extended Care, there is an additional Supply & Activity Fee for that program as well.

## PAYMENT SCHEDULE

Charge	Due Date
Registration Fee	Upon Registration
September Tuition	June 1, 2023
Supply & Activity Fees	September 1, 2023
<b><i>Normal tuition payments will then start a schedule on 10/1/2023</i></b>	

All payments that are due will appear on the Brightwheel App five days before the due date. You may choose to set up automatic withdrawal on Brightwheel.

Tuition is based on annual amount divided by 9 payments and will therefore be the same each month. Vacations and absences do not change monthly tuition amounts or supply and activity fees.

**\*Students do not have to attend Extended Care for all class days that they are registered. For example, your child may be enrolled in a 5 day Four-Year-Old Class but may only need to attend Extended Care for 3 of those days. Please call the office for pricing if you are not sending your child to Extended Care for all the class days that they are registered.**
